**RE: New Hazardous Materials Annual Permit - HMP-21369**

Dear Madam or Sir:

We have processed your application, issued the above referenced permit number, and enclosed the non-transferable hazardous materials permit requested by your application.

The permit is to be photocopied. Keep the original for your records and place copies in each motor vehicle transporting hazardous materials that require placarding under 49 CFR 172 or 173 and are operating within or through the State of Colorado.

If there are any questions pertaining to either the permit or the permitting process, please contact me or another member of the customer care staff at (303) 894-2000 (select option 4).

If there are any questions pertaining to hazardous materials regulation, please call the Colorado State Patrol at (303) 273-1900.

Sincerely,

*Loretta Zuniga*
